

# Singerbd.com

**Bug no: 01**

**Issue:** Didn't get desired search result

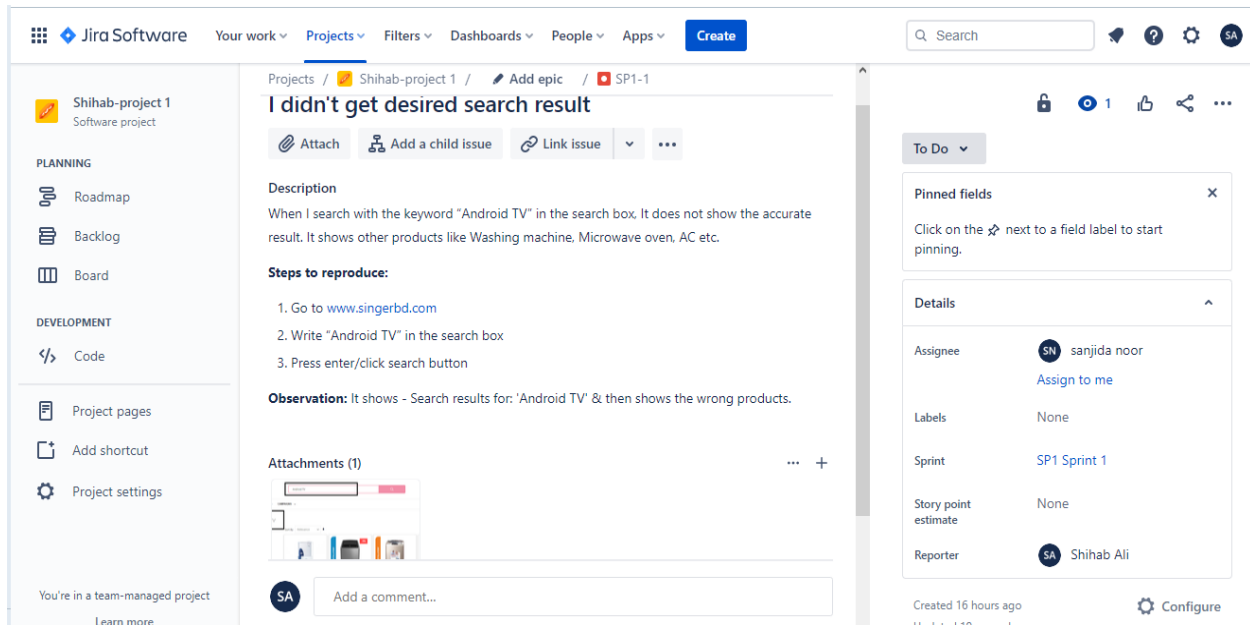

**Description:** When I search with the keyword “Android TV” in the search box, It does not show an accurate result. It shows other products like Washing machines, Microwave ovens, AC, etc.

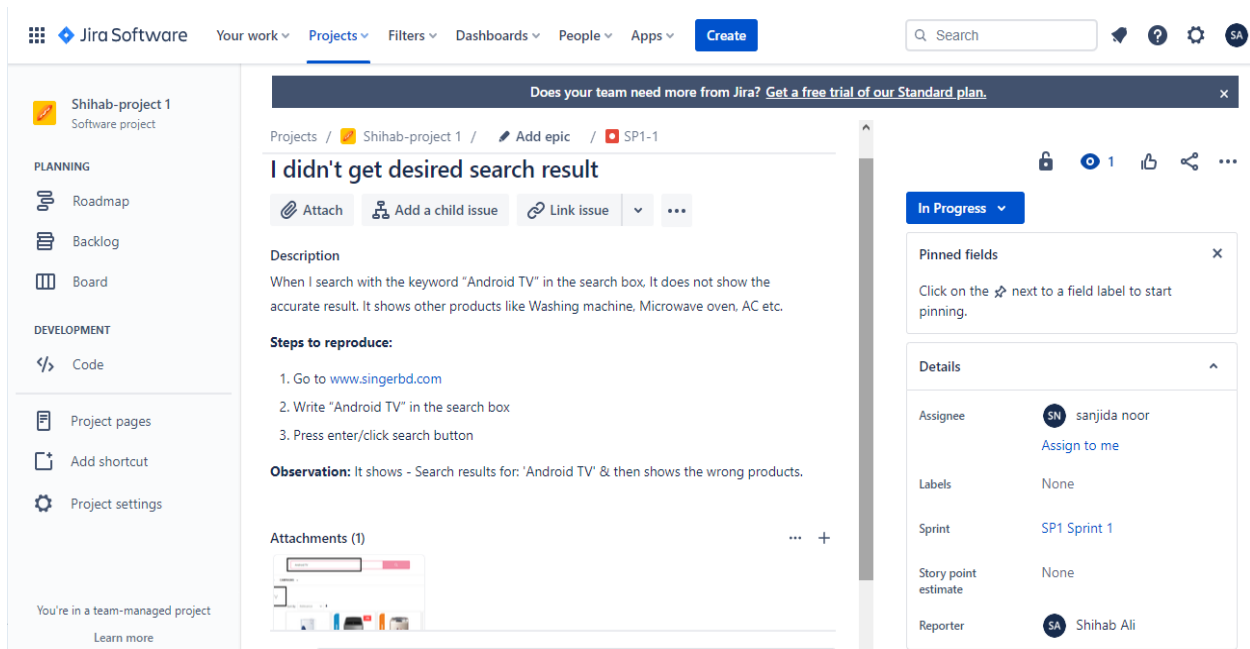

**Steps to reproduce:**

1. Go to [www.singerbd.com](http://www.singerbd.com)
2. Write “Android TV” in the search box
3. Press enter/click the search button

**Observation:** It shows - Search results for: “Android TV” & then shows the wrong products.

**Note:** The work has been assigned to sanjida noor to fix the issue

**Note:** The developer started working and it was in the in-progress state.

**Description:** I searched with a specific model number but didn't get correct result.

### Steps to reproduce:

1. Go to [www.singerbd.com](http://www.singerbd.com)
2. Search with the model number "43A7000GOTV"
3. Press enter/click search button

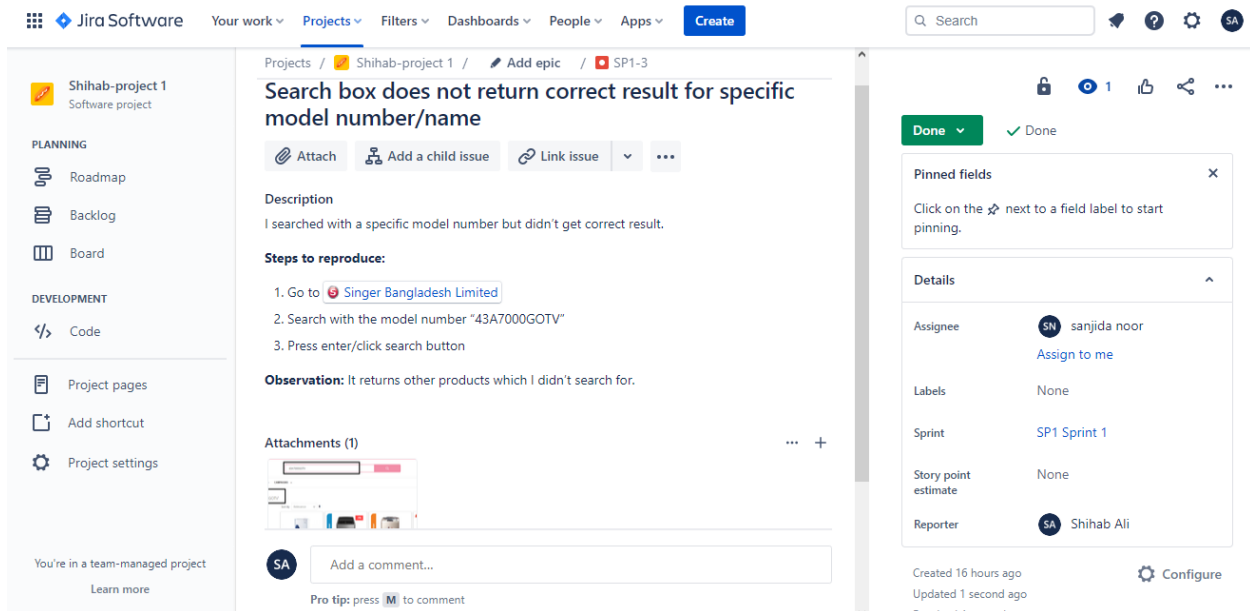

**Observation:** It returns other products which I didn't search for.

The screenshot shows the Jira Software interface for a project named 'Shihab-project 1'. The issue title is 'Search box does not return correct result for specific model number/name'. The description states: 'I searched with a specific model number but didn't get correct result.' The 'Steps to reproduce' section lists three steps: 1. Go to [www.singerbd.com](http://www.singerbd.com), 2. Search with the model number "43A7000GOTV", and 3. Press enter/click search button. The 'Observation' section states: 'It returns other products which I didn't search for.' The 'Attachments' section shows one attachment. The 'Details' section shows the assignee as 'sanjida noor', labels as 'None', sprint as 'SP1 Sprint 1', story point estimate as 'None', and reporter as 'Shihab Ali'. The issue was created 16 hours ago and updated 40 minutes ago.

**Note:** The work was assigned to sanjida noor to fix the problem

This screenshot is identical to the previous one, showing the same Jira issue. However, the 'To Do' dropdown menu on the right sidebar is now set to 'In Progress'. The rest of the interface, including the issue details and the left sidebar, remains the same.

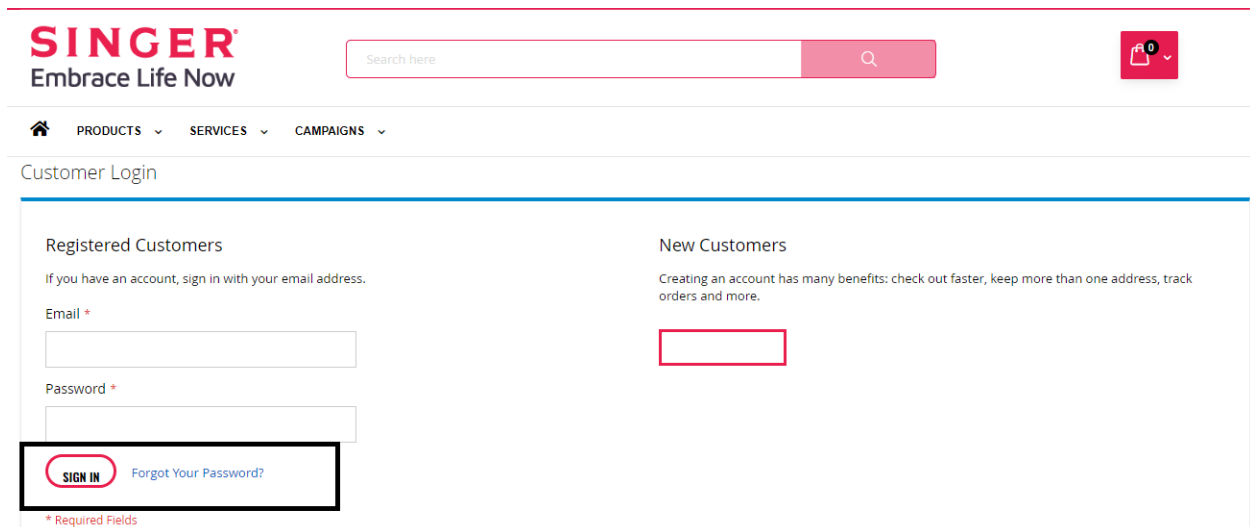

**Note:** The developer started working and was in the in-progress state.

**Note:** The developer has completed the task and the work is done

**Bug no: 03**

**Issue:** Inappropriate sign-in button

**Description:** The design of the Sign in button is inappropriate.

## Steps to reproduce:

1. Go to [www.singerbd.com](http://www.singerbd.com)
2. Click on “SIGN IN” link from the navigation bar
3. Review the “SIGN IN” button

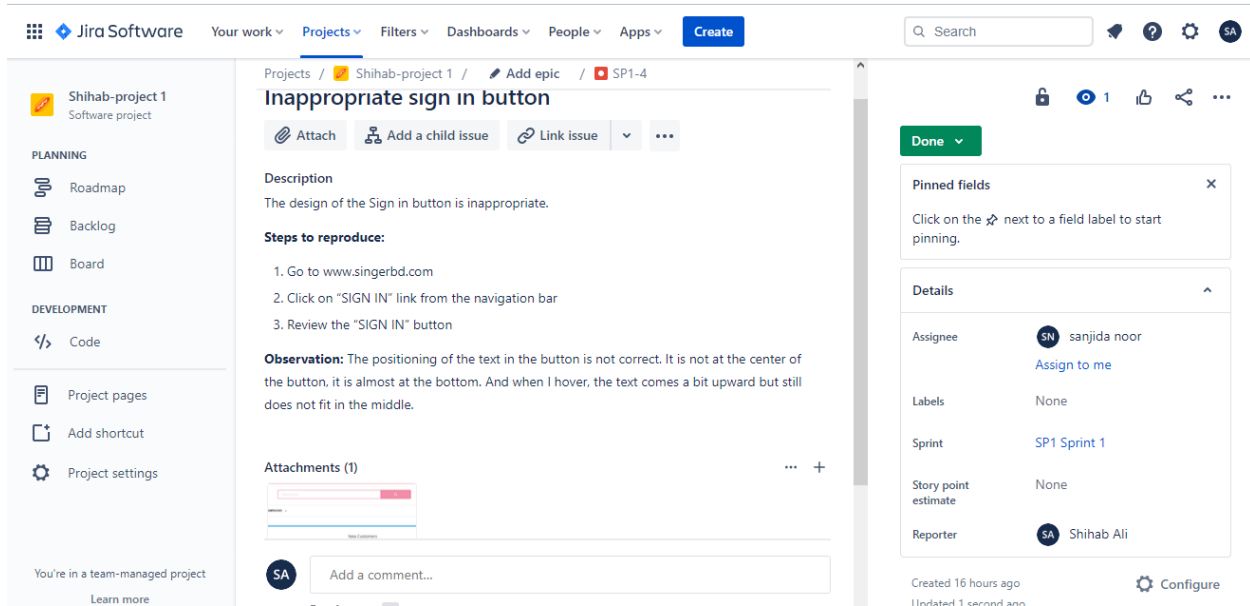

**Observation:** The positioning of the text in the button is not correct. It is not at the center of the button, it is almost at the bottom. And when I hover, the text comes a bit upward but still does not fit in the middle.

This screenshot shows a Jira issue page for 'Shihab-project 1'. The issue title is 'Inappropriate sign in button'. The description states: 'The design of the Sign in button is inappropriate.' Below the description, the 'Steps to reproduce' are listed: 1. Go to [www.singerbd.com](http://www.singerbd.com), 2. Click on 'SIGN IN' link from the navigation bar, 3. Review the 'SIGN IN' button. An 'Observation' note follows: 'The positioning of the text in the button is not correct. It is not at the center of the button, it is almost at the bottom. And when I hover, the text comes a bit upward but still does not fit in the middle.' The issue is assigned to 'sanjida noor' (SN) and reported by 'Shihab Ali' (SA). The 'To Do' section is empty, and the 'Details' section shows the assignee, labels, sprint, story point estimate, and reporter. The issue was created 16 hours ago.

**Note:** The work was assigned to sanjida noor to solve the issue

This screenshot shows the same Jira issue page, but the status has changed to 'In Progress'. The issue title remains 'Inappropriate sign in button'. The description, steps to reproduce, and observation are identical to the previous screenshot. The assignee is still 'sanjida noor' (SN) and the reporter is 'Shihab Ali' (SA). The 'To Do' section is still empty, and the 'Details' section shows the same information. The issue was created 16 hours ago.

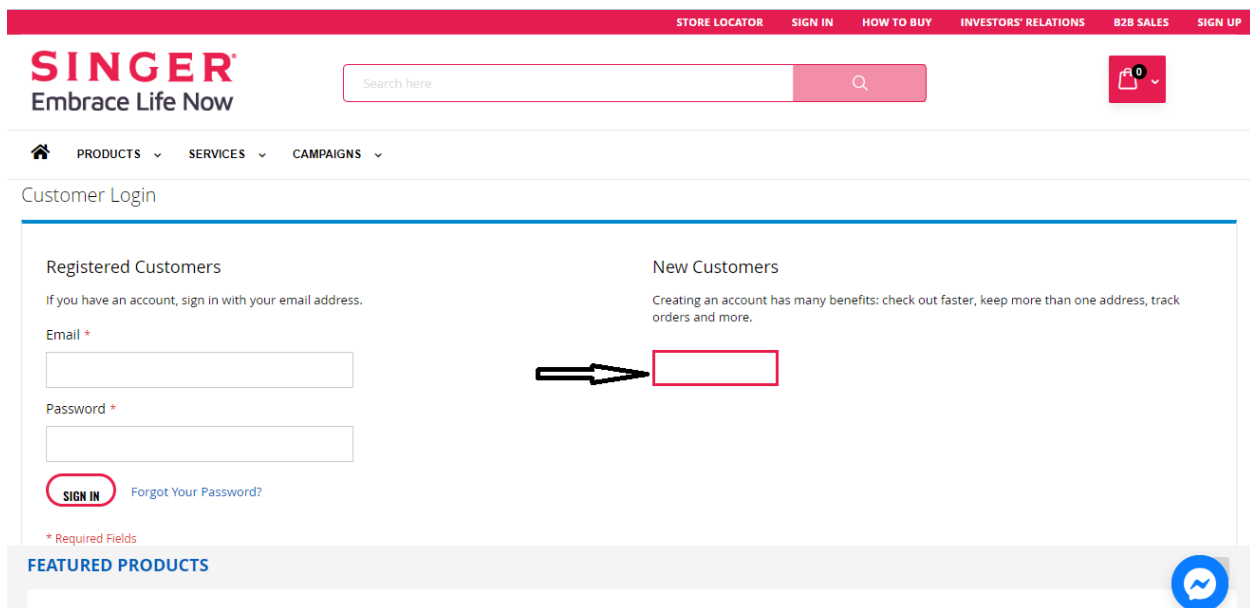

**Note:** The assignment was acknowledged by the developer and she started working. It was in the in-progress state.

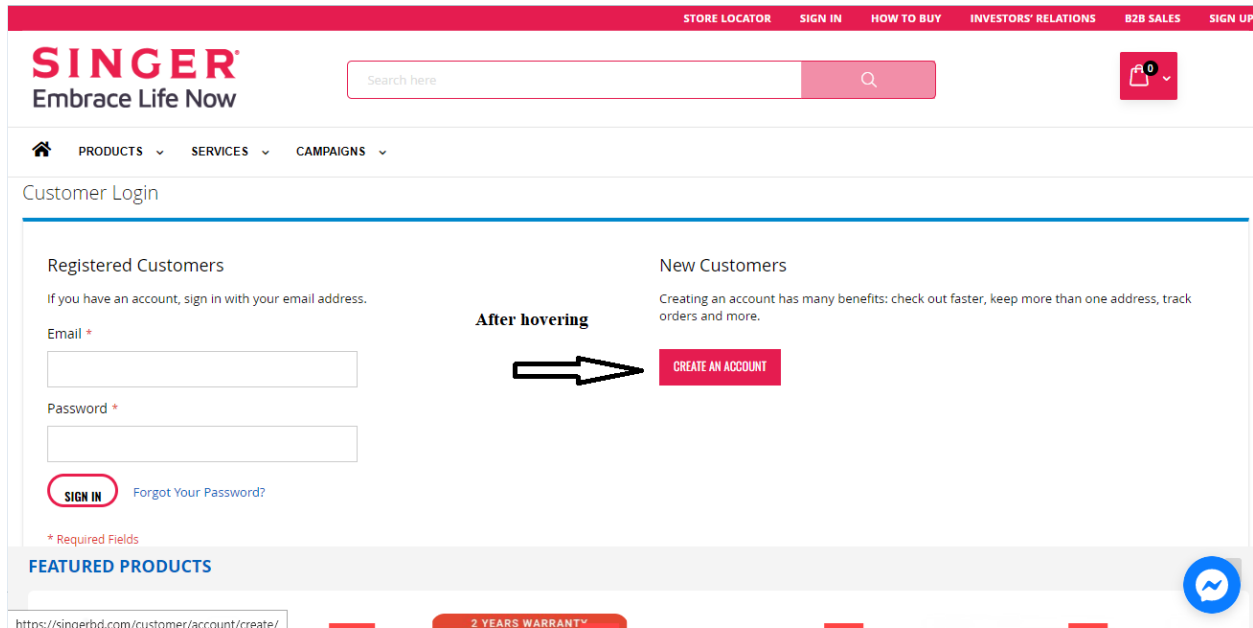

**Note:** The task is done by the developer

**Bug no: 04**

**Issue:** Create an account button is not visible on the Sign in page

**Note:** The text is not visible on the button

**Note:** The text is now visible after hovering

**Description:** In the SIGN IN PAGE, there is a button for creating new account named “CREATE AN ACCOUNT” where the text in the button is invisible until I hover it.

### Steps to reproduce:

1. Go to [www.singerbd.com](http://www.singerbd.com)
2. Click on SIGN IN link to go Sing in page
3. Please check there is a button with red border for new customers to create an account

**Observation:** The text inside the button is not visible at all. It is difficult to trace there is such a button

This screenshot shows a Jira issue titled "Create an account button is not visible on the Sign in page" in the "To Do" state. The left sidebar contains navigation links for "Shihab-project 1" and sections for "PLANNING" (Roadmap, Backlog, Board) and "DEVELOPMENT" (Code, Project pages, Add shortcut, Project settings). The issue details include a description, steps to reproduce, an observation, and two attachments. The right sidebar shows the "To Do" state with a "Pinned fields" section and a "Details" section listing assignee, labels, sprint, story point estimate, and reporter. The issue was created 2 hours ago and updated 1 hour ago.
